

THIS* could be you!

Try out RUGBY!

This year, for the first time in the history of our school, you will have the chance to try out rugby at our school festival. You will learn about the history of the sport, learn how to pass a ball and tackle other players.

Who's going to be there?

Mrs Voigt and Mrs Pöhland will teach you about the sport itself, while Mrs Menke and Mr Höra will take care of the practical sports lesson.

How long will that take?

There will be two sessions with each one taking 90 minutes.

What do I need?

Normal sports clothes and a pair of good sports boots for the sports lesson and scissors, a pen and some glue.

ATTENTION!!!

We can only offer 16 spots on this course. That's why you should register really early, otherwise all spots will be gone.
