

# Ich will Weiterleitungen an meine private E-Mail-Adresse – was muss ich tun?

**1.** In the top navigation bar, click on **Privat**.

**2.** In the left sidebar, click on **Einstellungen**. In the main content area, click on **Externe Dienste**.

**3.** In the 'Externe E-Mail-Adresse' field, enter your private email address (e.g., christian.hoefer13@gmail.com). Click on **Konto verbinden** and then **Speichern**.
